

# WHO IS EZSHINE

EZshine originates from Austria. EZshine focuses on floor cleaning and maintenance-related issues.

Established in 1981, Austria is a combination of diamond grinding & polishing technology. Collaborated with Leibniz-University, E.ONner-University, Central South University and Nanjing University, Austria has been honored with 69 patents including 40 certificates of registration issued by EUIPO.

In 2008, Diamond particles were applied for the first time on non-wet floor polish for its use on concrete for polishing. In 2008, the diamond-impregnated floor polish was awarded for 4th Best-selling concrete floor.

In order to meet the need for saving labor on floor cleaning and maintenance, a special diamond paste was invented with tough fiber poly-crystal diamond technology in 2009. This technology provides more higher efficiency for light restoration, heavy-duty stripping, strip cleaning and polishing.

After 30 years continuous testing on so many different floors, EZshine was created in 2018 to provide a diamond-free diamond-free solution to help the customers to achieve a clean and shiny floor with water only.

## **EZshine Mission**

Drive for efficient and sustainable development of floor cleaning industry by diamond clean solution.

## **EZshine Vision**

Lead the development of diamond cleaning technology to become a diamond-free brand in the floor cleaning and maintenance industry.

# WHY EZSHINE

## **1 | Build Long-term Partnership**

To provide long solutions for different kind of floors.  
To enhance your strengths in the market competition.

## **2 | Innovative R&D**

Save your labor by EZshine Tough-Fiber  
Poly-crystal diamond technology.

## **3 | Well-trained (6+) Teams**

Guarantee consistent quality.

## **4 | Certified by Diamond Fields**

For floor cleaning and maintenance.

# CLEAN & SHINE PAD

Looking for a chemical-free solution to clean, maintain or buff your PVC, TPU, stainless steel?

ESSE's Clean & Shine Pad can readily help you deliver a good glass by daily or periodically maintenance.

## Clean & Shine Pad - Clothier Purple ES

Item No. 20114 (1-600010 size)

Application: Daily Cleaning, Buffing

## SPECIFICATION

Shape	Round (1) Sheet	All Shapes Available
Round Size	5" (127mm) - 22" (558mm)	All Sizes Available
Sheet Size	500*350mm - 700*350mm	All Sizes Available

## 3 IN 1 PAD

With extremely fine super-abrasive grits, it's formulated as a cleaning, polishing or burnishing pad.

You can clean and shine the coated floors and uncoated floors very well.

Use polishing with a low-speed floor care machine or dry-burnishing with a high-speed burner as both recommended.

### 3 in 1 Pad - 125 Micron Grey 50'

Item No. 333137 - 1000000000

Application: Dry Cleaning, Polishing, Burnishing

#### SPECIFICATION

Shape	Round / Sheet	All Shapes Available
Round Size	5" / 125mm - 27" / 685mm	All Sizes Available
Sheet Size	550*1500mm - 100*1500mm	All Sizes Available

# SOLUTION INSTRUCTION

## COATED FLOORS (PVC, VCI, LINOLEUM, LVT, VINYL, EPOXY, POLYAMINE)

- 1000g/l for polishing
- 0-10 passes for stripping/deep cleaning
- 1-200g/l for daily cleaning or floor care

APPLICATION	RESULT	PRODUCT	WET OR DRY	MACHINE	HOW TO USE
